2010 OYSTER FESTIVAL CHARITY QUEEN

The 2010 Peninsular Chamber Brisbane Water Festival Commerce Charity Queen is one of our own residents.

Miss Charity Queen was crowned and she was Scarlett Napier of St Huberts Island and sponsored by Ettalong Beach Memorial Club and she raised \$30,000 which is outstanding.

The Brisbane Water Oyster Festival certainly celebrated its 10th anniversary with a record number of visitors to Ettalong Beach. Estimated at 25,000 people attending throughout the day, the organisers said it was a fantastic day out for everyone.

Congratulations Scarlett on such a magnificent effort.

Projected Sea Level Rise

Residents should now be aware of the activities of Pat Aiken of Saratoga and the several public meetings he and his group have organised recently in respect to the marking by Gosford City Council on section 149 Certificates that land may be affected by the 0.9M predicted sea level rise by the year 2100 also the NSW State legislation Coastal Protection & Other Legislation Amendment Bill recently passed by the NSW State Government despite considerable opposition to the bill.

Committee members and residents have been in attendance at the public meetings and Pat Aiken must be congratulated on the effort he and his group have put into the matter. Interested residents should keep a watching brief on the happenings on this most important subject and where possible put their point of view to Gosford City Council and Councillors in an endeavour to have the marking of the section 149 certificates removed.

Peninsula Community Men's Shed

Not every man has a shed where he can go to and make, repair, fiddle or build something. In fact if you live in a unit or villa you are probably one of those men who feel isolated and at times bored.

Would you like to come into a man's environment where you can build, make or just fiddle but at the same time join in the fellowship and comradeship with other men, with plenty of cups of tea and coffee thrown in.

Why not come down and look us over at Peninsula Community Menshed at Ettalong.

We meet two days a week, Monday and Thursday, between 9.00am and 4.00pm.

AWARD WINNING BUILDING DESIGNER

Ducks and Other Wild Life

Don't feed the ducks - Wild Life officers have again advised that we should not feed bread, etc., to the ducks as this is not a natural food for them and causes the duck distress. Feeding of ducks around the home only encourages them to frequent the home environment including swimming pools in yours and your neighbour's home.

Waste bread is also an encouragement for Myna birds which are becoming a bigger pest on the island.

St Huberts Island Scholarship

Applications in writing are now being sought from association members for the St Huberts Island Residents Association Scholarship. The scholarship is from high achieving association members including family, in their chosen endeavour, be it education, music, the arts, sport or any other field considered appropriate by the committee. The scholarship can be awarded once only annually to the value of \$250.00.

Any application must be in writing and be accompanied by relevant documentation to establish the credibility of the activity applied for, and an agreement to provide a written report and presentation on the success of the activity.
