## September Quarterly General Meeting

All residents are invited to attend the meeting in The Cove Hall, Empire Bay Drive, Empire Bay on Thursday September 8, 2011 at 7.30pm. This is an open forum where all matters of interest to island residents can be discussed.

If you require a lift to the meeting please call Bob 4342 1061, Ron 4343 1540

## Presidents Message to the residents

Since the June meeting I have received a **resignation** from the association Vice-President **Gary Dibley**. It is most unfortunate that Gary has had to resign from the committee, he has been a tower of strength to the committee and myself over the many years he has been a member of the committee, his hard work and wise counsel has always been valued and will be missed. We wish Gary and his family well in the future and hope that he may be able to return to the committee at a later time.

## Power Upgrade for St Huberts Island

In respect to the power upgrading of the island I must publicly thank the representatives of Ausgrid who attended the association's lively June meeting. It was a most beneficial meeting for the community and Ausgrid. Thanks must also go out to the many residents who braved the cold weather to attend the meeting and offer their comments.

Ausgrid anticipates the works will recommence in early September in Mainsail Avenue.

## Project for our Island

Residents are encouraged to bring to the attention of the committee any projects which could be considered to the betterment of the island. At present there are two matters under consideration by the committee:- the installation of park seating at the bridge reserve area and further bus shelters.

### Boating

With the boating season fast approaching we are endeavouring to have representatives of NSW Maritime attend a General Meeting, this has not been able to be achieved for this meeting.

## SCAMS Beware !!!!

He was asked for particulars and foolishly gave his Pin number. Fifteen minutes later \$3000 was withdrawn from his bank account.
