4.	Presidents Report
	Made a presentation at the August Council Meeting re; Climate Change. There has been a bit of publicity in the newspaper, which is good as we are highlighting the message.
	The council has become very politicalised and not really wanting look after the community but rather looking after themselves.

	Moved and seconded by: Rod and Steve

	Nothing for Website
	Merchandise – lots of Stubbie Holders, still have caps and aprons and no glasses. Was mentioned in Newsletter.
	Newsletter – Steve will do an article re; Ken Lummis as he really has done so much for the Island.
9.	General Business
	Lucy Wicks mentioned if she was going to get re-elected that she would paint the bridge. She sent out a flyer. However, she also mentioned that new railings will be installed, however we are waiting for this to happen. However, we should still follow up.
	Greener Places Strategy – What we are trying to achieve by requesting for a Horticulturist is to get someone to help us when council comes to us and says this is what you need to do, and we can be in a position to make informed decisions which makes sense for the Island.
	Farewell dinner organised for Ken Lummis – 7 th of December 2019. Venue to be advised.
