The Association is the Voice of St Huberts Island

Your committee has done an outstanding job over the years. Most have been in the position for many years and cannot go on forever.

The Island Committee needs you

New committee members are needed for the committee

We need a new perspective on where St Huberts Island needs to go in the future.

The Annual General Meeting

March 13, 2014

Will be your opportunity to

Nominate for the Committee

Go ahead, put your hand up or encourage other members, old or new to nominate for the committee - the island needs you

Presidents Message to the residents

Our Annual General Meeting is to be held March 13, 2014 and I invite all residents and members to attend. St Huberts Island community needs representation on issues that arise from time to time. It is now the time, for a new committee is to be elected; the community needs your support.

Congratulations must go to the committee for their productive efforts on behalf of the community over the past year. Many thanks to all committee members who have assisted with very valuable contributions to the committee deliberations and to the betterment of St Huberts Island.

Your committee needs to be a viable unit ready to act on issues as they arise. Over the years there have been many issues that would have resulted with much different outcomes had the committee not been there to represent the St Huberts Island community.

Many of your committee members have been in the position for many years can't go on forever.

All positions on the committee will be vacant and I invite all interested members to come along and nominate for any position they would care to.

The Island needs some fresh ideas, some fresh enthusiasm and now is the time to put your hand up and serve the community that we are all proud of.
