

SANTA ON THE WATER – DECEMBER 2025

Once again, a huge thank you to Rod and Virginia Wentzel for organising the annual Santa on the Water Run which was enjoyed by a great many island residents who eagerly look forward to this event each year.

We were pleased to see Rod as Skipper of Doctor's Orders leading the flotilla in the company of Santa and the Gosford City Brass Ensemble. I was told on good authority that conditions on the day were not conducive to steady motoring into and out of the canals due to a strong breeze, so we are thankful to all those boaties who joined the flotilla to make it such a spectacle.

This year your President – Kevin Hill - requested copies of photographs which were taken by an onboard photographer, along with a video of the complete run. Please enjoy the uploaded photos and video as, due to the number, they will not be included in the March newsletter.
